On February 27, 2023, Mr. Williams tested positive for alcohol. It was later laboratory confirmed positive for ethyl glucuronide and ethyl sulfate. The undersigned officer spoke with Mr. Williams, who denied the use of any alcohol at any time. Mr. Williams advised that he has been sober for over 15 years now and has not imbibed any alcohol or products with alcohol in it. He noted that he takes his sobriety seriously and would not risk that at any time.

U.S. Probation Officer Action:

The undersigned officer advised Mr. Williams that the Court would be informed as to the test, to which he stated understanding. Mr. Williams has been compliant and cooperative during his time on supervised

release and has had no other issues while on supervised release. Mr. Williams is scheduled to terminate supervised release on July 23, 2023, and with the exception of this second positive test for a substance, Mr. Williams has maintained employment, has been compliant with all conditions and has had no new arrests to report. At this juncture, it is respectfully requested that no action be taken by the Court, as the undersigned officer will monitor his subsequent drug test through Recovery Innovations and will update the Court as needed regarding any future non-compliance.

Respectfully submitted,

SUSAN M. SMALLEY, Chief
U.S. Probation Officer
